Dog and Cat Owners Go Wild For Weichert, Realtors® - The Space Place Pet Photo Contest

HUNTSVILLE, Ala. / March 13, 2019 – Home is where the heart is, for most. But for one Alabama family it's wherever the paws are.

And the Internet just proved it.

The Davis family in Grant and their cat, Sesame, bested a slew of online entries to win the "Home Is Where The Paw Prints Are" photo contest hosted by Weichert, Realtors® - The Space Place.

The contest encouraged the real estate agency's social media followers to upload pictures of their furry family members for a chance to win a gift basket filled with pet treats and toys. The winning photo was chosen by online voting.

"We received the most adorable entries for our Paw Prints photo contest," said Leah Justice, one half of the Justice Team at Weichert, Realtors® - The Space Place, which coordinated the photo competition. "There's definitely no shortage of pets out there who like to smile for the camera."

Those smiles also gave the pet contest voters a lot to think about.

"Our judges certainly had their work cut out for them with this contest," said the other contest organizer, Danielle Justice. "Every pet photo looked like a winner to me. But in the end, voters loved Sesame the most."

Weichert, Realtors® - The Space Place is an independently owned and operated Weichert® affiliate. The company, with offices in Huntsville, Madison and Hartselle, serves the Huntsville metropolitan area.
