BROOKLYN, N.Y. / Nov. 22, 2019 — Weichert, Realtors® - The Franzese Group, located in Brooklyn, is proud to announce that Lawrence Wong has been named one of New York State's "10 Best Real Estate Agents" for 2019 by the American Institute of Real Estate Professionals (AIREP).

This marks the first time that Wong, who is one of the nation's top producing Weichert® affiliated agents, has received the prestigious AIREP award.

"It's an honor to be named one of New York's best real estate agents by the American Institute of Real Estate Professionals," said Wong, who has worked at the Weichert® affiliate for 10 years. "The recognition represents the lengths that I'm willing to go to provide my clients the most memorable home buying and selling experience possible."

The AIREP is an impartial third-party rating organization that compiles an exclusive list of the "10 Best" Real Estate Agents for each state. Agents must be nominated by the AIREP, a client or a fellow agent to be considered for a "10 Best" award.

Agents must also have attained the highest degree of professional achievement in his or her area and have done so with an impeccable client satisfaction rating.

"Lawrence has achieved unparalleled success throughout his 10 year real estate career," said Anthony Franzese, the broker/owner of Weichert, Realtors® - The Franzese Group. "Most importantly, however, Lawrence has reached the top of his profession while doing so with the client's satisfaction being of the most paramount importance and all for the benefit of his clients."

Franzese added: "We are incredibly proud of Lawrence and so blessed to work alongside the caliber of the person he is."
