Realtor® Kathy Bryant Recognized for Record Residential Home Sale in June

Cincinnati, Ohio / July 13, 2020 – Weichert, Realtors® - R.E. 1790 in Cincinnati is proud to announce that Realtor Kathy Bryant closed the largest residential real estate sale in the Forest Hill School District for the month of June. The transaction also helped make Bryant the top agent in the company for June.

Kathy Bryant

Bryant represented the seller of 566 Four Mile Rd. in Cincinnati, which sold for \$1,050,000 and 93 percent of the asking price. The value of the transaction was 43 percent above any other property that closed in the area in June, according to MLS data. The average sale price for homes in the district is typically less than \$360,000. Bryant also represented the buyer, handling both sides in the transaction.

“Our team of real estate professionals strives to provide the best real estate experience to the customers we serve. The value of this property was well above the average home price for the area,” commented Kellie Barter, the broker/owner of Weichert, Realtors® - R.E. 1790. “Kathy was not only able to earn the trust of the seller to handle the listing, but also find the right buyer to effectively close the deal. We are pleased to have two happy clients.”
