### Realtor® Leslie Asher Joins Weichert, Realtors® - Acclaim in Tannersville

TANNERSVILLE, Penn. / Aug. 24, 2020 — Weichert, Realtors® - Acclaim, an independently owned and operated Weichert affiliate, is proud to announce the addition of Realtor Leslie Asher to their talented team of experienced realtors. He will assist home buyers and sellers with their real estate needs in and around Monroe and Northampton Counties.

“We are delighted to have Les join our team,” said Charles Marzocco, owner of Weichert, Realtors® - Acclaim. “Les has an unusual background, with a common thread: helping people. We know he will be an asset to our business and to the clients he serves.”

Asher moved from Macungie to the Poconos about three years ago with his wife Fran and their two dogs Reddy and Lucy. They had come to love the area from taking frequent summer and fall day trips to enjoy the mountains, lakes and hiking trails that the Poconos offer. They enjoyed the area so much that, in 2017, they sold their home in Macungie, rented while they searched for a new home, and then found their forever home in Saylorsburg.

“I have always loved the outdoors,” says Asher. “In fact, one of my first jobs was as a Park Ranger in California. I also knew I wanted a career where I could help people, and I went down a couple of other paths, including water treatment and nursing. But when I earned my real estate license, I knew that being a Realtor® was the right choice for me; and being a Realtor® in an area that offers so much natural beauty makes it the perfect choice for me. My experience has taught me that buying or selling your home is one of the most significant life events anyone can experience, and I am looking forward to helping as many clients as I can with the purchase or sale of their current home.”

Asher is a member of the West End Rotary and the PMAR (Pocono Mountain Association of Realtors). When he is not working with clients, Asher enjoys playing with his dogs, watching action adventure movies, working on his home, and spending time with his wife, Fran.

As a Weichert agent, Asher will have access to the latest technology and the most productive sales and marketing tools to offer the best real estate service in the industry.
