Local Realtor® Named Minnesota Super Real Estate Agent For 2018 **Val Huerta at Weichert, Realtors® - Advantage honored to receive statewide recognition**

WOODBURY, Minn. / Nov. 7, 2018 – Weichert, Realtors® - Advantage, located in Wayzata and Woodbury, is proud to announce that Realtor Val Huerta has been named a 2018 Minnesota Super Real Estate Agent by Twin Cities Business and Mpls. St. Paul Magazine.

Super Real Estate Agents are chosen based on past client satisfaction on transactions of \$250,000 and above, and if a client would recommend them to friends and family.

“It’s hard to put into words how honored I am to receive this recognition, which is based on my clients’ satisfaction with the service I was able to provide,” said Huerta. “I could not provide my clients with the exceptional service they expect from a real estate agent, however, without the support of my colleagues at Weichert, Realtors® - Advantage and the resources provided by Weichert®.”

Only three to five percent of the approximately 18,000 real estate agents in the Twin Cities metro area receive this highly sought-after recognition.

The Super Real Estate Agent recognition comes a few months after Huerta received another real estate honor. Huerta earned the prestigious Executive Club award earlier this year from Weichert Real Estate Affiliates, Inc. for his 2017 sales production.

“Val is a tremendously talented real estate professional who continues to go above and beyond to fulfill his clients’ needs,” said Mark LaQua, the broker/owner of the Minnesota-based Weichert affiliate. “Twin Cities Business and Mpls. St. Paul Magazine could not have selected a more deserving individual than Val as one of its Super Real Estate Agents this year.”

Huerta has worked at Weichert, Realtors® - Advantage since 2014 and is licensed in Minnesota and Wisconsin. He is also a certified relocation specialist.

Weichert, Realtors® - Advantage is an independently owned and operated Weichert affiliate. The company serves the Twin Cities area of Minnesota area and surrounding cities.
