"Sarah's connections to the millennials in our area gives her unique insight to the needs of first-time home buyers," Harp added.

Carr joins a team of knowledgeable and dedicated agents at Weichert, Realtors® - Market Edge, which brings many years of combined real estate expertise to its clients.

She is also excited to take advantage of the numerous business tools and marketing strategies Weichert® provides its affiliate agents to help them offer the best real estate service in the industry, including Fast Track training, which Carr recently completed.

The training helps quickly bring new Weichert affiliated agents, as well as current agents interested in taking a refresher course, up to speed on the latest information and technology available to real estate professionals so they can better communicate with clients to offer the best service available.

Program participants learn how best to get started in the real estate industry, find sellers, capture a buyer's attention and list properties to sell quickly. Agents that complete the Weichert Fast Track training also gain the confidence and competitive edge to succeed in real estate.

Carr lives in Harrison.
